OF HENRY COUNTY.

election Third of November Next.

WE trust the convention to meet to day at Bolivar for the selection of a congressional representative will be harmonious and in everything Democratic. The two-thirds rule, a time-honored decree of the party, should prevail, and the utmost latitude be permitted in the selection and nomination of candidates. few delegates arrived to-day, but not a Delegates, remembering that they are sufficient number toggive any idea of but the representatives of the people, the result to-morrow. Several Memwill, too, best consult their wishes by the nomination of a man who shall combine all the elements of fitness for a position that should command the best talent of the district. There is no lack the friends of each claiming a majority.

King, H. Townsend, H. C. 1 cang, som a description of the murderers of mechanisms and the position of the murderers of mechanisms and description of the murderers of mechanisms and the position of the murderers of mec of good material, and the people will not be slow to visit their displeasure upon those who may stand in the way of the convention securing it. of the convention securing it.

THERE seems to prevail, just now, an have several such on record in the Ar- the variety of opinious. PEAL, additional to those which, for three weeks, and ever since the Somerville outbreak, have kept our readers on
the qui vive for "worse, and more a-coming." Following upon the nurder of Julia Hayden, Middle Tennessee mur- of opinion in both the Sheiby and Har- hundred and eighty pounds. been industriously pressing their crimes chous will exhibit here during the situson our attention until one almost paralleled by the attempted murder of the Durant family by two negroes in our own city yesterday merning, but does not in atrocity come anywhere near to the murder of August Gardner, near Henryville, Indiana, some days ago. This man, a Frenchman and a stranger, was seized by a band of robbers, who robbed him fand afterward bound him to the track of the Jeffersonville, Madison and Indianapolis railroad, a train on which ran over him and so mutilated him as that he lived only long enough after being taken Jeffersonville to tell the story of the unexampled atrocity. The Chicago Tribune commenting upon this I set most awful crime suggests that, when caught the perpetrators be treated similarly. Better than that would be a speedy trial according to the forms of law, and the prompt infliction of such punishment as the law specifies for murder. This, at such times, cannot be too steadily pressed upon the attention berieslike that at Frankfort, Missouri, and so many murders and attempts at nurder. No matter what comes, we

citizens who desire to preserve the good name of the State. It is from the New York Herald, which says; "We wish we could impress the southern whites with a due sense of the importance of arresting and controlling these ill-boding tendencies. If they cannot keep peace between the two races, nothing is more certain than armed interference by the Federal government, which nobody has so much reason to deprecate as the people of the south. They have had enough | Lynch Law in Putnam County-The of this already, and should not invite it again. The precious right of self-government, so long impaired in the south, can be reacquired only by patient efforts during a period of internal peace. Their experience has taught them how monstrously even small disturbances are exaggerated by the incendiary portion of From the Nashville Union and American, the northern press, and the inflammatory effect of such exaggerations in S. T. Pearce, a member of a family by arousing passions of which political par-that name living on Berryhill street, near the Chaitanooga depot, exhibited tisans are too ready to take nelvantage. We appeal to thoughtful and patriotic We appeal to thoughtful and patriotic great alarm among his relatives. A southern citizen, to save their unfortunate section from the horrors and the new Federal oppression which would accompany and follow a war of races." Let us have the secundrels who have About three o'clock in the afternoon, dispraced Gilson county and Tennessee three other members of the family man. and punish them as the law directs, and so save ourselves from the impending
